How to Properly Wear the FNE Otter Uniform

This information is excerpted from the FNE Uniform Policy.

Shirt

The T-Shirt should be tucked in at all times.

Neckerchief

The Neckerchief should be neatly rolled, leaving a small triangle showing. It is always worn over the collar and should be secured in the front by a woggle/slide or a square knot.

Shorts & Belt

The rosary clip is worn on the right side of the belt. The “smooth” side of the rivet on the clip should face outwards. The decorated side of the rosary should face outwards.

Tips:

- It is very difficult to adjust the belt while wearing it. Adjust the belt to the proper size before threading it through the belt loops.
- It is much easier to thread the belt through the belt loops when the shorts are not being worn. It is highly recommended that if the shorts do not need washing, leave the belt on when you store them between meetings/activities.

Socks

The socks should come up to the knee cap but not cover it. Fold the top of the knee sock if necessary so that it is worn below the knee cap.
